9. Type the appropriate information (your name, title, place of employment, contact number, and email address) in the **Edit Signature** pane. Then click the **Image** button above the **Edit Signature** pane.

10. Once you click the Image button, you will then be brought to the Insert Pictures menu. Navigate to where you saved your digital badge (please note you would have had to save your digital badges prior to this step in order to access your digital badge). Once you find your badge select it, and then click the Insert button.

11. Once your digital badge is inserted into your signature, right click the digital badge. A menu will appear, click the Picture... option. You will then be able to adjust the images size etc here. Once you are done with your changes, click the OK button.

12. Once you have adjusted your digital badge, you can now add the appropriate hyperlink to your badge. To hyperlink your badge, navigate to your Credly account and copy the hyperlink of the badge(s) you want to hyperlink in your signature.

13. Once you click on the digital badge you want to share, you will be brought to the page below. Click the Share button.

This badge was issued to Jane Smith on 31 March 2021.

Registered Vascular Technologist (RVT)

Issued by <u>Inteleos</u>

The Registered Vascular Technologist (RVT) certification raises the standard of vascular ultrasound practice worldwide and promotes best practices for enhanced patient safety. It is designed to certify medical professionals in the vascular ultrasound field. By earning the RVT certification, healthcare professionals gain a critical edge in promoting public safety in vascular ultrasound.
