## SPRING 2022

### A Sit-Down Meeting with Your ARDMS Chair Leah Jolly

#### A look at some of Leah's roles with ARDMS over the years:

- Vice Chair of the ARDMS Council 2020-2021
- Vascular Technology (VT) Assessment Committee Chair 2018-2019
- Vascular Technology (VT) Assessment Committee Vice Chair 2016-2017
- Member of the Advanced Practice Sonographer Task Force
- Exam Development Taskforce and Assessment Oversight Committee, Vascular Technology (VT)
- Item Writer: Vascular Specialty
- Compliance Hearing Panel Member
- Compliance Appeal Panel Member
- VT pilot development for Maintenance of Certification Assessment (ARDMS SKILLS)

#### Can you share your thoughts with us on your upcoming role?

As Chair of the ARDMS Council, I am really focused on moving assessment into the 21st century. We are taking great steps in this arena, with things like new case-based item types and online exam proctoring, but I am very excited to see what the future holds! I also fully support our position as a global influencer in sonography and look forward to seeing how we can ensure worldwide patient safety through education and credentialing. Having been involved with the ARDMS for 13 years now, I am honored and proud to be leading our vision of creating “the global standards of professional excellence in sonography.”

#### What are you most looking forward to as Chair?

I truly look forward to engaging with fellow health care professionals across various ultrasound specialties. I've made lifelong friends through volunteer work with the ARDMS! Working and volunteering with sonographers from varying backgrounds, locations, and specialties can be eye opening and inspiring. Knowing that we are all on the same page when it comes to patient safety makes it very gratifying to be a part of this community.

**What is your biggest call-to-action for ARDMS Registrants?**

Get involved! Whether it be with the ARDMS in exam item writing, your alma mater in student mentoring, or organizationally with professional development and leadership training, we all have the power to positively affect patient care in a multitude of ways. Done correctly, all of these can be extremely rewarding!

**Is there anything else you would like to share?**

Absolutely. I would like to express my sincerest gratitude to all of our past and current volunteers, and to the wonderful ARDMS staff for their hard work and dedication! We would not be a global leader in this field without each and every one of you. Your commitment to patient safety is truly appreciated.

**Volunteer with ARDMS!**

With the Maintenance of Certification (MOC) program, join us at the cutting edge of sonography culture!

Excellence, opportunity, community, and lifelong learning: at ARDMS, certification is a journey that extends well beyond any singular assessment.

Help shape the future of the MOC program and enhance your personal career journey as a volunteer. Sign up today through your [MYARDMS](#) profile or connect with the Volunteer Engagement team at [volunteer@inteleos.org](mailto:volunteer@inteleos.org).

**Did your CME Period end on December 31, 2021?**

In March 2022, ARDMS began the CME Audit process for Registrants who have a three-year CME period that ended on December 31, 2021. Please visit [ARDMS.org/CMEAudit](https://www.ardms.org/CMEAudit) for more information or log in to [MYARDMS](#) and see if you were selected.

**Looking for a Job in Ultrasound?**

Here are two featured open positions:
